Iconic Stchu-Moon Pendant from

Catellanismith by Innovative Design Studio IDG

2 MINS READ

Innovative Design Studio, renowned for its dedication to merging contemporary artistry with impeccable craftsmanship, introduces the striking Stchu-Moon Pendant by Catellani & Smith.

Project Name: Iconic Stchu-Moon Pendant from Catellanismith

Studio Name: Innovative Design Studio by IDG Landscape design services

©Innovative Design Studio by IDG

Deceptively simple, yet visually captivating, the Stchu-Moon reimagines the relationship betw light and form. By separating the light source from the lighting object, it allows illumination to on a distinct aesthetic presence of its own. The design features a metal or fibreglass hemis with a deliberately irregular internal surface that refracts light in multiple directions. This inte enhances luminosity, transforming the entire structure into a radiant, glowing sculpture.

Landscape design services

The Stchu-Moon is available in aluminium hemispheres of 40 cm, 60 cm, and 80 cm, as well a 100 cm fibreglass version. Its interior surface is meticulously finished with gold, silver or copp leaf, while the exterior is rendered in a sophisticated matte black. The fixture is complemente nickel base and a steel spoon lamp holder, reflecting the brand's attention to detail and mate integrity.
