Nature-Inspired Lighting to India with Linfa by Innovative Design Studio (IDS)

2 MINS READ

Innovative Design Studio (IDS), known for curating globally celebrated lighting de
introduces the Linfa collection by Italian lighting brand Tooy. Designed by Federico
the collection transforms botanical inspiration into sculptural lighting, combining deli
craftsmanship with a distinctly contemporary aesthetic. Interior design services

Project Name: Nature-Inspired Lighting to India with Linfa
Studio Name: Innovative Design Studio (IDS)

©Innovative Design Studio (IDS)

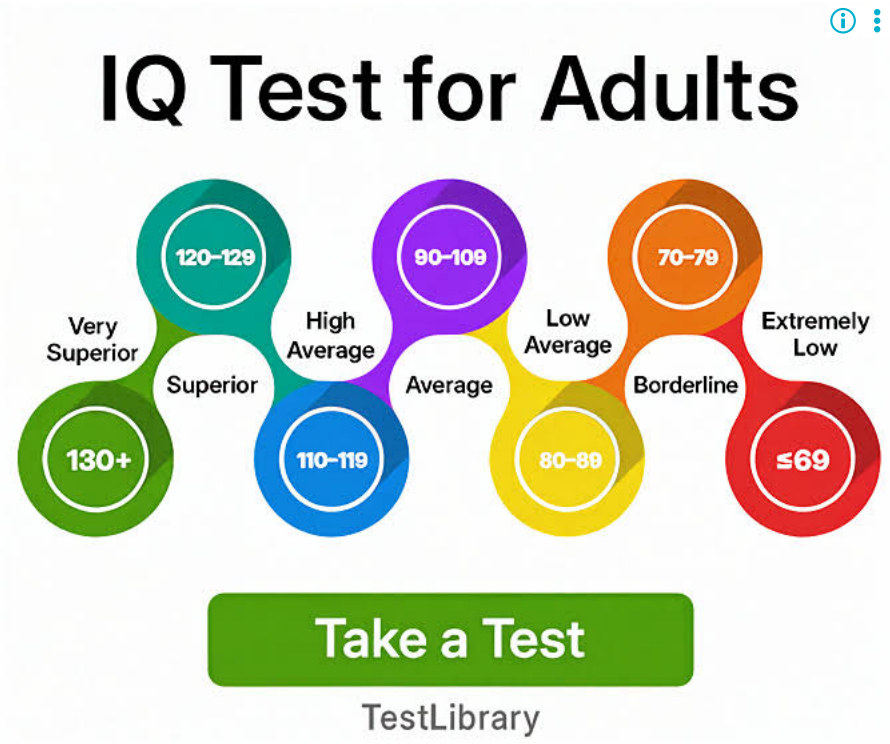
Named after the Italian word for sap, Linfa draws its character from the natural worl
Graceful metal arms extend and branch out with remarkable fluidity, recalling the int
veins of a leaf. At their tips sit luminous Murano glass elements that appear like drop
dew suspended in mid-air, creating a composition that feels light, elegant and quietly
expressive.

The collection includes chandeliers, pendant lights, floor lamps, table lamps and wall
sconces, allowing a consistent design language to flow across a variety of interior sett
Whether installed as a dramatic centrepiece or as a more intimate lighting element, L
brings a sense of movement and refinement to a space. Interior design services

©Innovative Design Studio (IDS)

Every detail has been carefully considered. The branching metal structure is available gold, titanium and matte nickel finishes, each lending a distinct character to the desig handcrafted Murano glass diffusers are offered in transparent, smoky and milky whit finishes, introducing depth, softness and visual contrast. Interior design services

Balancing artistry with functionality, Linfa delivers ambient illumination while serving sculptural object in its own right. The collection is equally suited to luxury residences, boutique hospitality environments and contemporary commercial spaces where light plays a central role in defining the atmosphere.



©Innovative Design Studio (IDS)

With the introduction of Linfa, Innovative Design Studio continues to expand its portf internationally acclaimed lighting collections, bringing exceptional design, craftsmans and material innovation to discerning Indian audiences. Interior design services
