Petalume' Lights Collection by

Innovative Design Studio IDG

2 MINS READ

Innovative Design Studio, renowned for its dedication to merging contemporary ar with impeccable craftsmanship, has unveiled the Petalume lighting collection by the celebrated Czech brand, Elite Bohemia.

Project Name: Petalume' Lights Collection
Studio Name: Innovative Design Studio by IDG

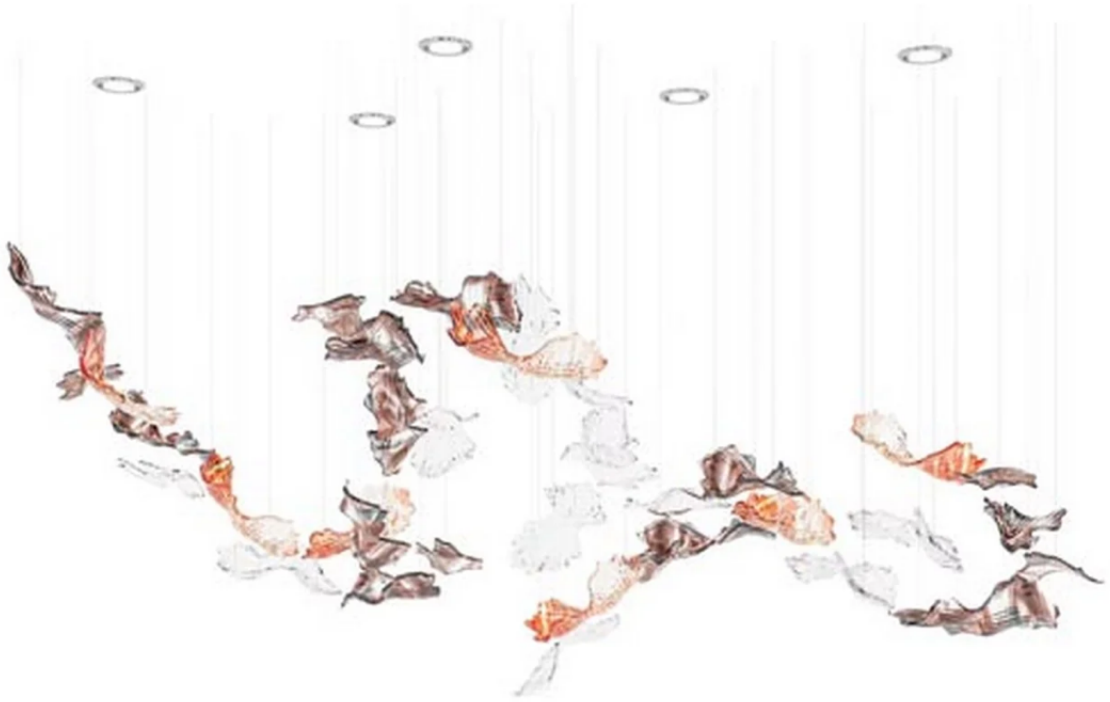
©Innovative Design Studio by IDG

Inspired by the graceful movements of nature, the Petalume chandelier captures the delicate flutter of flower petals carried by the wind and gently drifting across a water surface, guided by subtle currents. This poetic inspiration is translated into a luminou design that evokes both motion and tranquility.

©Innovative Design Studio by IDG

Hand-shaped crystal components, meticulously crafted with organic forms and rema precision are the highlight of this collection. Each “petal” is uniquely expressive – som smooth and refined, others enhanced with delicate ribbing. Together, they create a harmonious composition that appears to float effortlessly in space, infusing interic with a sense of natural elegance and sophistication. Interior Design

The fixture is available in three distinctive colour combinations: Ferrari Red + New Re
Crystal, Smokey Topaz + Crystal, and Crystal, each of which offers a unique interpreta
of the design's refined aesthetic.



©Innovative Design Studio by IDG

Designed for spacious interiors, the Petalume crystal chandelier reveals its full splend
when given room to breathe, allowing the interplay of light within its crystalline struct
be fully appreciated.
